

OASD Chromebook Insurance Program

OASD is offering Accidental Drop/Damage Insurance for student-issued Chromebooks for **\$25/year**. This plan will cover the cost of accidental damage (as determined by the District) to a student's Chromebook. Families who purchase this insurance will have the Chromebook repaired/replaced at no additional cost should accidental damage occur during the student's use. While this insurance is optional, it is strongly encouraged.

Families may purchase the insurance as part of the online registration process in Family Access and **must complete payment by September 1**. If the fee is not paid by September 1st, the Chromebook will not be covered against accidental damage and families will be responsible for all repair costs resulting from accidental damage.

Benefits of the Accidental Drop/Damage Insurance include:

- Wide Scope of **Accidental** Protection - Examples of accidental damage covered by insurance may include, but are not limited to:
 - Liquid spilled on or in unit
 - Drops, falls, and other collisions
 - Electrical surge
 - Damage or broken LCD due to drop/fall
 - Accidental breakage (cover, keyboard, screen)
- Peace of Mind - knowing that if accidental damage occurs the family will not be held financially responsible for the cost of repairs.

The Accidental Drop/Damage Insurance *does not cover* damage caused by intentional acts (as determined by the District), fire, theft, or loss. Lost, stolen, or damaged ac adapters (chargers) are *not covered* by insurance. This insurance also does not include the cost of replacing a device that is not returned upon leaving the school.

Families who do not purchase Accidental Drop/Damage Insurance will be charged for all necessary repairs. The repair cost(s) will be assessed to the student's fee management account in Family Access and must be **paid in full** prior to the student taking possession of the repaired device. Unpaid balances will be handled in accordance with the District's Fee collections procedures.
