

LaBelle Yacht Club Sailing School

is getting ready for summer!

Sailing Lessons for kids aged 7-12

Are you looking for a fun activity for your child this summer?

Participants will learn how to sail and race an Optimist sailboat independently, learn to be safe in and around water, and gain teamwork, problem-solving, and communication skills – all while building confidence and independence.

The sport of sailing is taught through fun games and drills. No previous experience is necessary and boats are available to rent.

Students will need a life jacket, water shoes, and a smile!

Sign up now for an adventure that offers lifelong benefits!
