

WELCOME TO SUMMER SCHOOL 2025

AT MEADOW VIEW ELEMENTARY SCHOOL

We're excited to welcome students to Summer School and would like to share a few reminders to help families prepare for the first day.

DATES & TIMES

- Term 1: June 16 – July 3, 2025
- July 4 – No Summer School
- Term 2: July 7 – July 24, 2025
- July 24 – Last day of Summer School
- Class Times: Two classes each term, from 7:45 – 9:40 a.m. and 9:50 – 11:45 a.m., Monday - Thursday,
- **No Summer School Classes on Fridays this year**

CONFIRM SCHEDULE

Please log in to your online [Family Access account](#), select the Schedule tab on the left, then scroll to the bottom of the page to confirm your schedule before the first day of Summer School. A map with class names is attached to help you.

DROP OFF & PICK UP

Drop Off & Pick Up Location

- In an effort to control traffic at Summer School, there will be two drop off/pick up locations based on your child's home school during the regular school year.
- Families who attend **Meadow View and Ixonia Elementary Schools** should **use the front (South) curbside area** to drop off and pick up their kids each day.
- Families who attend **Greenland, Park Lawn, or Summit Elementary, or a Private/Parochial/Non-OASD Elementary School** should **use the back (North) curbside area** to drop off and pick up their kids each day.

Drop Off Process

- This year, students will gather with their teacher and classmates on the playground before both the 7:45 a.m. and the 9:50 a.m. classes, then enter school together.
- **Families using the back (North) curbside area** should drop their children off, and staff members will direct them to the playground and help them find their class lines.
- **Families using the front (South) curbside area** should drop their children off, and staff members will direct them through the school to the playground, then help them find their class lines.
- On the playground each day, classroom teachers will have signs with their class name, and staff members will have class rosters to ensure students find the correct teacher and class.
- If there is inclement weather during drop off, families should use their designated curbside area, but students will enter the school directly and gather with their teacher and classmates in the gym.

Pick Up Process

- Families will pick up kids from the same area they dropped off - please pull vehicles as far forward in the pick up line as possible.
- Staff members will help direct traffic and assist kids with finding their vehicles.
- If you are able to display your child's last name on your visor or dashboard, that will also help speed up the process.

Drop Off & Pick Up Times

- Students attending the first class of the day can be dropped off no earlier than 7:35 a.m. and must be picked up no later than 9:50 a.m. each day.
- Students attending the second class of the day can be dropped off no earlier than 9:40 a.m. and must be picked up no later than 11:55 a.m. each day.
- Students arriving late or leaving early, or being dropped off or picked up in between classes, should all use the front of the school entrance. If you are picking your child up early, please come inside the front office to pick up your child.

WHAT TO BRING

Students should bring a water bottle and a snack to Summer School each day, along with a lightweight bag to carry these items. Students will spend time outside each day so please also apply sunscreen before arriving at Summer School if you would like your child to wear it.

NUT FREE AT SUMMER SCHOOL

To protect the safety of all students, Summer School will be nut free. Please read the attached letter for more information on our nut free school guidelines.

STUDENT MEDICATIONS AT SUMMER SCHOOL

Students who require medications during Summer School should drop off medications and forms at the school health room on the first day of class. If your child had an OASD care plan during the 2024-25 school year, that care plan will be utilized for Summer School, and new forms are not needed. If your child does not have a care plan or medication forms, please visit our [Health & Immunization Forms web page](#) for detailed information and links to the required medication forms.

ATTENDANCE & ILLNESS GUIDELINES

Students are expected to attend Summer School each day unless they are ill. Based on the OASD Illness Guidelines, students and staff who are ill must stay home from Summer School. Families are expected to call the Summer School attendance line to report an absence due to vacation or illness and provide information on the illness and symptoms. Find detailed OASD Illness Guidelines on our [Health Services Web Page](#).

Meadow View Elementary Summer School Attendance: (262)-560-8002

Summer School 2025

Dear Parent/Guardian,

For the safety of all students, our classrooms and learning spaces throughout OASD will be **PEANUT AND NUT-FREE*** environments. Please do not send your child with any snacks, treats, or products to be consumed in the classroom that contain Peanuts/Tree Nuts or are processed in a facility that processes Peanuts/Tree Nuts. Please also encourage your student(s) to wash or wipe their hands if coming in contact with nut products prior to coming to school.

We appreciate your support of these procedures to maintain a safe and healthy environment for all of our students. Peanuts and Tree Nuts are among the top 8 allergens, and are legally required to be listed plainly on a product ingredient label. Items labeled with statements saying they “may contain” these allergens or “processed in facility that also processes” are also not considered safe for classroom/learning environments. Manufacturers may change ingredients at any time. To be sure an item still is safe for school, please review the label prior to sending with your student.

You may learn more about food/product labels and allergies by visiting www.foodallergy.org. Thank you for making it possible for all students to participate and be safe!

If you have any questions, please feel free to ask your school’s health room assistant, your principal and/or your child’s teacher(s).

Sincerely,

Christy Deal, MSN, RN

*The word “FREE” is used to indicate spaces that will be kept as free as possible of products known to contain nuts

**Peanut and Tree Nuts will be allowed in OHS’s main cafeteria, room 150. The small cafeterias, rooms 123/170 will be peanut and tree nut free.

OASD Health Services Peanut and Tree Nut Free Snack Idea Listing (8/12/24)

When choosing a peanut/tree nut free snack for child's class it is important to ALWAYS check the label. Be aware that manufacturing formulations and practices sometimes change. Even if you've bought a safe snack before, take a look at the label each time you buy it to make sure the ingredients or cross-contamination warnings haven't changed. Do not bring items with the allergy and ingredient alert such as "may contain peanut or tree nuts" or "processed or manufactured in a plant with peanut or tree nuts". This list is meant to help guide your shopping.
