## Developmental program-Registration On Website

This program is designed to help your child develop not only volleyball skills but body awareness and athletic ability. These sessions are once a week for 6 weeks. The girls will spend time each week learning the individual skills of serving, passing, setting, and quickness to the ball.

We will take a maximum of 12 girls so the instructor can have more individual time with the players. Two six week sessions will be available on a first come, first serve basis.

**Fee for 2-3<sup>rd</sup> Grade:** \$90 fee will include an hour each week for all six weeks and a t-shirt for each player

**Fee for 4-5<sup>th</sup> Grade:** \$100 fee will include an hour and a half each week for all six weeks and a t-shirt for each player

(\$10 off when you sign up for both sessions)
