

OASD Chromebook Insurance Program

OASD is offering *optional* Accidental Drop/Damage Insurance for student-issued Chromebooks for **\$25/year**. The cost of the insurance is for 14 months from July 1 until September 1. This plan will cover the cost of accidental damage (as determined by the District) to a student's Chromebook. Families who purchase this insurance will have the Chromebook repaired/replaced at no additional cost should accidental damage occur during the student's use.

Families may purchase the optional insurance as part of the online registration process in Family Access and **must complete payment by September 1**. If the insurance fee is not paid for by September 1st, insurance will not be applied to your student's Chromebook.

Benefits of the Accidental Drop/Damage Insurance include:

- Wide Scope of **Accidental** Protection
- Simplified Replacement of Your Damaged System
- Peace of Mind

Examples of unintentional damages covered by insurance may include, but are not limited to, the following:

- Liquid spilled on or in unit
- Drops, falls, and other collisions
- Electrical surge
- Damage or broken LCD due to drop/fall
- Accidental breakage (multiple pieces)

The Accidental Drop/Damage Insurance *does not cover* damage caused by intentional acts (as determined by the District), fire, theft, or loss. Lost, stolen, or damaged ac adapters (chargers) are *not* covered by insurance. This insurance also does not include the cost of replacing a device that is not returned upon leaving the school.

Families who do not purchase optional Accidental Drop/Damage Insurance will be charged for all necessary repairs. The repair cost(s) will be assessed to the student's fee management account in Family Access and must be **paid in full** prior to the student taking possession of the repaired device. Unpaid balances will be handled in accordance with the District's fee collection procedures.
