REMINDERS

Remote Learning Family Survey

Together, we have been through many new experiences, successes, and challenges over the past two months of remote learning. As we continue our planning for an unclear future, we are seeking feedback regarding your child's and your family's experience over the past few months. As a result, we are asking you to complete a short survey (approximately 5 minutes) about your family's remote learning experience. Your feedback will help us evaluate current practices and better prepare for future remote learning opportunities. Please complete the survey separately for each of your students. Once you submit the survey for your first student, simply click the link again and complete it for your other student(s). The survey will remain open through May 26.

All OASD families in need, who have at least one student enrolled in an OASD school, will now be able to pick up a full week of breakfast and lunch "Grab and Go" meals for their students at Oconomowoc High School East Campus. Families do not need to be using the free and reduced lunch program to pick up these meals.
