

WEEKLY UPDATE

OASD FAMILY UPDATE FOR FRIDAY, JUNE 19, 2020

We will share updates with OASD families every Friday morning during the summer. These updates may be short or they may be long, depending on what new information is available that week. All updates will be posted on our Virtual Learning Hub at www.oasd.org/VirtualLearning.

NEW UPDATES

Thank You for Completing the 2020-21 Family Preference Survey

Thank you to the OASD families who completed the Family 2020-21 Preference Survey that was emailed to district families on June 12. Your feedback will guide our decision making and planning for school in the fall.

If you have not completed the survey yet, there are still a few hours left before the survey closes at 5:00 p.m. today. Please check your email for the June 12 survey message and link.

The OASD School Board and administration will continue the planning for the 2020-21 school year throughout the summer. Currently, there are three planning scenarios being considered for student return in the fall:

- 1. Full face-to-face:** We would love to have all students back in their classrooms with their teachers. If health and safety conditions and space allow for this, we will be ready for this option.
- 2. Hybrid blend of virtual and in-person learning:** This scenario can take different forms. As much as possible, we want students to learn from their teachers in classrooms. Again, health and safety conditions will determine how much in class and how much virtual learning will be required.
- 3. Full virtual learning:** This scenario would be implemented only if mandated by the state, country, or even locally. If it is determined that face-to-face instruction would be unwise- either for the start of school or after the year begins- we need to be prepared. This virtual scenario would provide learning activities and virtual tools that are different than those experienced in our emergency remote learning this spring. Also, we are planning to offer a full virtual option for those families who want or need it, even if we find ourselves in scenario one or two.

Your survey feedback will help the school board and administration select a return plan and more specific information on that plan will be available in mid-July. We will be sharing those details with OASD families by email and on our website at www.oasd.org.

WEEKLY UPDATE

If you have any questions about the **Student Needs Fund**, please contact Dyanna Kadrich, Director of Student Services, KadrichD@oasd.org. Thank you for your support of the staff, students, and families within our District community!

Support Resources for Families

There are many support and wellbeing resources available for OASD families. Visit www.oasd.org/VirtualLearning then click the “Health & Wellbeing Resources for Families” tab for more information.

OASD Outdoor Facilities Re-Open to the Community

At the June 9 OASD Special School Board meeting, school board members approved the re-opening of District outdoor playgrounds and athletic fields for community use as of June 10. Community groups using or renting OASD outdoor spaces are asked to follow current state and local health department group size recommendations, and ensure social distancing is being done.

Due to the COVID-19 pandemic, Wisconsin public school districts are mandated to keep buildings closed until June 30. The OASD will follow guidelines from national, state, and local health department organizations to begin phasing the opening of District buildings throughout July and August.

OHS Athletic Camps

As of June 10, all OHS Athletic Camps scheduled in June have been canceled due to the COVID-19 pandemic. This includes the Boys Basketball Camp scheduled for June 22-25.

District and community families who have registered their children for July and August summer athletic camps at the high school will be notified at the end of June, whether state and local health department guidelines will allow July and August camps to proceed. OASD will issue refunds to all camps that are unable to run as scheduled.

Shine on and be well!
Roger J. Rindo, Ed.D.
Superintendent
