

WEEKLY UPDATE

OASD FAMILY UPDATE FOR FRIDAY, JULY 10, 2020

We will share updates with OASD families every Friday morning during the summer. These updates may be short or they may be long, depending on what new information is available that week. All updates will be posted on our OASD 2020 Learning Hub at www.oasd.org/LearningHub.

NEW UPDATES

Community Presentations on Returning to School in Fall

The District will host several community presentations at OASD school sites so that families can learn more about returning to school and ask questions. These presentations will be personalized by school level, so you will receive the same information at all Elementary level presentations and all Intermediate level presentations. We recommend that you register for a presentation at each school level your children attend.

In-Person Community Presentations:

- Monday, July 13: Meadow View Elementary School
- Tuesday, July 14: Silver Lake Intermediate School
- Wednesday, July 15: Park Lawn Elementary School
- Thursday, July 16: Summit Elementary School
- Monday, July 20: Greenland Elementary School
- Wednesday, July 22: Nature Hill Intermediate School
- Thursday, July 23: Oconomowoc High School
- Monday, July 27: Ixonia Elementary School

Registration is required to attend the presentations. Consistent with Waukesha County group size guidelines, the presentation can host up to 100 people. As a result, in order to accommodate as many families as possible we ask that only adults attend the presentations, not children. This registration process is in place to ensure appropriate attendance size and social distancing at each school location.

Presentations will be held from 6:00-7:00 p.m. If more than 100 individuals register for any location, a second session will be held from 7:30-8:30 p.m. on the same night.

Please use this link to register each adult that will attend an in-person presentation

Some of the in-person presentations have already reached the maximum registration of 100 people for both sessions. Use the link above to check whether registration is still open for the session that you would like to attend. If a session is full, please read the information on the virtual presentations below.

WEEKLY UPDATE

Virtual Presentations:

- Tuesday, July 28: Oconomowoc High School
- Wednesday, July 29: Intermediate Schools
- Thursday, July 30: Elementary Schools

In order to accommodate as many families as possible, we will also offer a virtual presentation at each school level. Presentations will be held from 6:00-7:00 p.m. and registration is required. You will receive a link to participate in the Zoom meeting closer to the meeting date.

In addition to these in-person and virtual options, a recorded version of the presentation at each school level will be posted at www.oasd.org/LearningHub in late July.

Please Complete the Preliminary Fall Learning Selection Survey

In order to continue our implementation planning, we are asking families to complete a preliminary survey about your family's learning scenario preference for returning to school next fall. The OASD School Board approved these three learning opportunities for fall:

- Face-to-face learning in the traditional school environments for grades 4K-12 with mitigation measures in place for the safety of students and staff.
- Ocon Virtual Learning Community, a fully online virtual learning option that families can select for grades K-12 instead of returning to the school environment.
- A hybrid learning format for grades K-6 that provides more social distancing but requires additional parent support for students, and will only be offered if there is enough interest per grade.

OASD families received an email on Thursday with more information on each learning opportunity. That information can also be found at www.oasd.org/LearningHub.

Please fill out this survey for each of your children, as options will vary by age. Please indicate which learning option you intend to select for each student for the fall of 2020. These selections are preliminary and will help the District plan for staff, materials, and facility space needs.

Your final selection will be required during 2020-21 Online Registration, July 20-August 6, 2020.
