## OASD COVID-19 Dashboard Updated Twice Per Week

At their September 2 meeting, the OASD School Board reviewed the key indicators that can guide the Boards decision-making to return to full face-to-face learning at all grade levels. Through Board meeting discussions and work with the Waukesha County Health Department, the OASD Administration has developed a series of dashboards to display COVID-19 data.

These dashboards are available at [www.oasd.org/COVIDDashboard](http://www.oasd.org/COVIDDashboard). Updates to this web page will be made twice per week. Due to the data collection and processing time, reporting results may have a 1-day delay. The data currently available includes:

## FREE Breakfast & Lunch for ALL OASD Students

On Monday, August 31, the U.S. Department of Agriculture (USDA) Food and Nutrition Service unexpectedly announced the extension of their free student meals program that began during the summer. As a result, student breakfast and lunch will be free on the days that students are learning at school face-to-face, and the days that students are learning virtually. This free meal program will continue until the USDA confirms that funding is no longer available or until December 31, 2020, whichever comes first.

For students at the Intermediate Schools and OHS, a free meal option will be available for selection in the lunch service areas. Ala carte and snack items are not included in the free meal program and will remain available for purchase.

When this free meal program ends, families will be charged for meals through their child's Skyward Family Access account based on their student meal status, whether free, reduced or standard price.
