

On Wednesday, November 11<sup>th</sup>, Meadow View will observe Veterans Day. One way we are honoring our veterans is with a video collaboration with all five Oconomowoc elementary schools. As part of the observance, MDV students are invited to decorate and bring in a star in honor of a veteran or someone currently serving. **Please have the stars at school on Thursday, November 5 and dress in red/white/blue.** Please know not all students will be a part of the video, but all will be able to share about their special veteran on November 11th. You may use the star below, or trace it onto cardboard or colored paper. Please write the name(s) of the person(s) being honored on the star(s), along with any other information you may wish to include. If attaching a picture please use a copy, as we would not want to lose precious family photos. On Veterans day students will have the opportunity to share about their special person in class, view the video that was made, discuss veterans day, and dress in red, white, and blue.
