

Welcome to

The **Oconomowoc Area School District** is now using **Secure**Volunteer to process criminal background checks for volunteers.

SecureVolunteer is a completely web-based/paperless system. BIB takes personal data security and privacy very seriously and has instituted safeguards to protect personal data.

1. To complete your criminal background check, please visit your school's webpage (www.oasd.k12.wi.us → Schools → click on your school name) or the Human Resources webpage (www.oasd.k12.wi.us → About Us → District Departments → Human Resources) . . .
2. Click on the **Secure**Volunteer  to enter your personal information for the criminal background check.

You will receive e-mails from clientservices@bib.com when you submit your information to **Secure**Volunteer AND when your background check has been completed.

Thank you for volunteering in the Oconomowoc Area School District. We appreciate YOU😊
